Today is PWS&D Sunday - Inspired by God's promise of abundant life, PWS&D envisions a sustainable, compassionate and just world. February 3 is PWS&D Sunday—a day to celebrate the work our church is doing to make this vision a reality, empowering people out of poverty, hunger and oppression. Through programs in sustainable development and emergency relief, we are helping women, men and children get what they need to improve their well-being, recover from emergency situations and plan for futures abundant in the blessings of Christ. This work would not be possible without the faithful support of individuals and congregations across Canada, and our partners overseas. Today and every day, we give thanks for those striving for justice, mercy and peace throughout the world.
