 The Government of Pakistan is intensifying its efforts to expel undocumented Afghans, as well as those with temporary permission to stay in the country. Between 700 and 800 families have been deported daily. These deportations pose devastating risks, particularly for women and girls who face increased threats of violence, persecution and loss of access to basic rights upon return to Afghanistan. Such actions violate international protection principles and undermine decades of humanitarian efforts to protect vulnerable populations. Your voice and solidarity are crucial at this moment. Visit [WeRespond.ca/advocate-for-Afghan-refugees](https://www.werespond.ca/advocate-for-Afghan-refugees) to learn more and take action.

Emergency Relief: Sudan and Somalia Responses - In Somalia, conflict and insecurity are exacerbating an already dire humanitarian crisis. Armed conflict and tensions in Dollow, Luuq, and Balad-hawa have displaced thousands of people and disrupted the delivery of essential services. In Luuq, inter-clan strife has led to the displacement of 45,000 people as well as the destruction of the Warata market, impacting livelihoods and worsening food insecurity. Almost two million children are suffering from acute malnutrition, including almost half a million who are likely to be severely malnourished.

PWS&D, in partnership with the Canadian Foodgrains Bank, Development and Peace and local partner Trócaire Somalia, is implementing a project to prevent acute malnutrition in the Gedo region of Somalia. The project is providing treatment for individuals with acute malnutrition and implementing community-based activities, including door-to-door screening and referrals, counselling sessions, one-on-one sessions, and sessions covering key topics such as exclusive breastfeeding, complementary feeding and hygiene.
