Presbyterians Sharing Presbyterians Sharing supports lay leaders, including those in prison communities, through access to courses offered by Theological Education by Extension in Malawi. The Certificate program in Biblical Studies expands participants' biblical knowledge, fosters collaborative leadership, and increases leadership capacity. Edina was active in her congregation but often doubted her ability to lead. She says, *"I used to sit at the back during meetings and just listen. I had ideas burning inside me, but I lacked the confidence and the knowledge to speak up or guide others. Through this program, I've gained not just biblical insight, but the courage to lead."* Recently, Edina was appointed as leader of the women's guild in her church, where she teaches and mentors younger women.

PWS&D **Even in the face of poverty, injustice and disaster, hope, love, peace and joy find a way.** Inspired by God's promise of abundant life, we are responding to God's call to care for the poor, sick and vulnerable. We are responding to restore human dignity, ease the pain of want and promote community cooperation. As an expression of Christ's hope, peace, joy and love, we are working towards a sustainable, compassionate and just world. Let us continue to remember our neighbours near and far.
