

Jacob – The Trickster

Do you think all the people in the Bible are too good to be true? Wait until you read about Jacob – whose name means ‘crooked’. Listen as he tricks his twin brother Esau, out of his ‘birthright’. Watch as he schemes with his willful mother, Rebekah, to cheat Esau out of his inheritance. Then when you think you have seen it all, meet uncle Laban, who out tricks the trickster. What does it mean to wrestle with an angel at midnight? In a final confrontation with Esau, will Jacob survive?

These are stories found in Genesis (the Biblical book of beginnings). Jacob is the one through whom God’s promises are kept alive. It is a story therefore about us – modern day carriers of the promises of God.
